It's that time again! Winter camp has always been a joy. Especially for those who need a little jolt at the end of the year. We all strive for the goal of Heaven, and are trying to help each other get there. This time can also help support each other and give each other some much needed encouragement. As it is a shorter time and a smaller group we can really "bond" and share our lives. We want you to spread the word and bring others with you. Make this a continuation of the AWESOME summer camp we had in July. We hope you will make plans to come, you'll be glad you did.

See you there!
